****TIDY LOOKING CREW CAB THAT GETS PLENTY OF GOOD COMMENTS WHEREVER IT GOES****

- This is our own van that we have owned for almost two years
- It took me over six months to source this tidy van as most out there have been a building company or similar workhorse to get men about and as such can be a bit rough
- We kitted the van with an upgraded sports front bumper, rear bumper extension, rear spoiler, roof rails, side steps and 20" alloy wheels
- There is heated seats
- Parking sensors front and rear
- Rear camera
- Cruise control
- Air con
- Apple CarPlay
- Digital radio
- It has been serviced twice and will have a third service and new MOT before being handed over to it's new owner
- It is running on four brand new tyres fitted at 33,180 miles
- Don't miss your chance to buy this very tidy crew cab
- Personalised plate will be removed before the vehicle is sold, seat covers can also be removed (original fabric is all perfect)
- SNG Motors graphics and logos on bodywork will be removed for the new owner. The rest of the graphics can stay on or removed in part or totally depending on your preference?

Technical Specs
